

Wares Postdoctoral Fellowships

Earth and Planetary Sciences

McGill University

Short Version:

The Department of Earth and Planetary Sciences at McGill University invites applications for the Wares Postdoctoral Fellowships from outstanding early career Earth Scientists. Fellows will work on research projects in collaboration with one or more faculty member within the broad range of disciplines covered by the Department. The Postdoctoral Fellowship is for two years and offers competitive compensation, a research stipend and relocation allowance.

Applications must include a cover letter, a curriculum vitae including a list of publications, a two-page research proposal, an endorsement letter from the faculty sponsor(s), and two letters of reference. The deadline for receipt of application materials is February 1, 2022 and the anticipated start date for the fellowship September 1st, 2022 (negotiable).
